## Welcome

Stoneleigh Golf & Country Club is the perfect location for golf outings. The property features touches of pre--Civil War character including stonewalls through the property, rolling hills with gentle brooks and an 18th century manor house nestled at the foot of the Blue Ridge Mountains. Stoneleigh is a unique blend of old world charm and the perfect backdrop for an enjoyable and memorable event.

Stoneleigh offers a fully stocked Golf Shop, Tavern Grille Room with a deck overlooking the golf course, and a spacious courtyard with an event tent that can accommodate up to 175 people. We also have a brand new indoor "Barn Event Center." This barn dates back to the late 1700's and is the perfect rustic setting for an awards reception to finish your event! If you are interested in reserving this venue for your reception please [Contact Us](#).

Our staff is dedicated to providing a terrific experience for you as the organizer and for your event participants. Our professional staff will customize the day to meet your objectives be they fundraising, camaraderie, networking or incentive. We bring the experience to help you shine without headaches. Because Stoneleigh boasts one of the most uncrowded golf courses with half to one--third of the rounds played annually at comparable facilities, your day will be more special to participants, conditions will be better and your group will be a very high priority to our team.

There are many ways to add value to your group's outing; including gift certificates, sponsor signs and instructional clinics. The Stoneleigh staff will work within group's specifications and budget.

Golf outings may be scheduled Monday through Thursday based on availability. Prices vary by season, day, time and number of players. Please contact the Golf Shop at 540.338.4653 ext.1 or email [outings@stoneleighgolf.com](mailto:outings@stoneleighgolf.com) for more details. We look forward to working with you and coordinating a successful golf outing.

*"We absolutely love it. Nothing compares to Stoneleigh. It is a great value and the advice I give potential members is to do their homework and make a decision before the remaining categories fill up."*

## Facility Description

Stoneleigh Golf & Country Club was named “the Prettiest Golf Course in Northern Virginia,” by *Golf Magazine*. The Club was awarded a **three and a half star** rating by *Golf Digest*, and is frequently cited as one of the best layouts in the Greater Washington Area. Nestled in the foothills of the Blue Ridge Mountains and Snickersville Gap, Stoneleigh offers a private golf club experience with the unique blend of old world charm, local history and outstanding service.

Designed in the Scottish tradition of blending and complementing the natural terrain, Stoneleigh’s golf course plays up Round Hill and through meandering apple orchards and surrounding stone structures over rolling hills with fabulous views in a peaceful setting that makes golfers forget how close they are to Northern Virginia’s hustle and bustle. Touches of pre---Civil War character are throughout the property, including an 18th---century manor house, an historic bank barn, an old toll road, and the Founder’s Cottage.

Capturing the true essence of beauty and serenity, the course is as challenging as it is impressive, consistently receiving high marks from golfers and critics alike. The Clubhouse boasts views of the course, fireplaces and casual and fine dining.

Stoneleigh is a fun and exciting golf course to play. Combined with a remarkably quiet, peaceful atmosphere makes any golf outing at Stoneleigh a truly enjoyable and memorable event.
